TASK - 4

EMAIL – 1: Write an email from a student to their professor requesting an extension on an assignment submission deadline.

Subject: Request for Extension on Assignment Submission Deadline

I hope you are doing well sir, I am writing this letter to extend the assignment submission deadline for Assignment which is due on 28th of march.

The date of submission of the Assignment is clashing with several assignments and exams happening at the same time, which makes me hard to manage my time and finish the assignment on schedule.

I know that deadlines are important, but I am requesting an extension if possible so I can complete, I will make sure to submit Assignment as soon as possible before the deadline.

Thank you.
